

ReportGenie QUICK START GUIDE

Congratulations on your purchase or evaluation of ReportGenie. ReportGenie is a powerful way to sort and report on the dictation files created with your DigiTel Dictation System.

The DigiTel and ReportGenie Installation CD's contains an installation program "ReportGenie Full Installation.exe" and a User Manual "ReportGenie Manual.pdf".

Please refer to the User Manual for detailed information about installation, setup and use.

ReportGenie Quick Installation & Setup:

1. Check <http://DigiTelSoftware.com> for a newer ReportGenie version than the version on the CD. It is recommended to install the newest version.
2. While you're on the website, take a moment to sign-up for Update Notices to receive an email when the next new version becomes available.
3. To install from the CD, browse to the ReportGenie folder and run the "ReportGenie Full Installation.exe" program.
4. To install from the website, click on SOFTWARE, and in the "Full Software Packages" section click on the newest ReportGenie version number.
5. Then follow the on-screen instructions, making sure to **only setup in the default directory, and if asked "do you want to keep this file" answer Yes.**
6. To place a ReportGenie shortcut onto your desktop, locate ReportGenie in All Programs, then right-click on ReportGenie and select "Send To - Desktop".
7. Next, run ReportGenie. It will run in Evaluation mode for 30 days or until you enter a License Key into its Registration menu. To receive your ReportGenie License Key via email, please email the "Pop Number" found on the DigiTel or ReportGenie Installation CD's label, along with the "Lock Number" displayed in ReportGenie's Registration menu to Keys@DigiTelSoftware.com.

Technical Support:

The User Manual describes ReportGenie's features and setup in detail. You may also find the information in the previous Update Notices that can be found at <http://www.DigiTelSoftware.com> informative. After referring to those resources, if you still have questions, please contact your DigiTel and DigiScribe reseller.
